Jay Dardenne, Lt. Governor, 2015 Candidate for Governor ~

Jay has spent his life serving the people of Louisiana. His reputation, built from more than 25 years in public life and decades of community involvement, is one of honesty, integrity, conservatism, common sense and effectiveness. Jay believes in hard work, faith, family and having more ethics than the law requires. He understands the importance of listening more than speaking – God gave us two ears and one mouth. He is a leader by example with a clear vision for Louisiana that he has been able to articulate and implement at every level of service .

For more info go to: <http://www.jaydardenne.com/record-of-success>

His record of success started with being elected to Metro Council from 1988-1991, State Senator of District 16 from 1991-2006, Secretary of State from 2006-2010, and Lt. Governor from 2010 to present.

Make plans to attend the luncheon to hear Jay explain why he should be our next Governor. We look forward to see you there!

GO Group Regional Housing Study

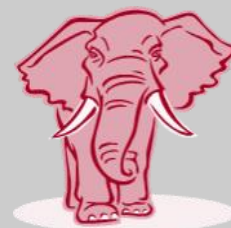

The Southwest Louisiana Task Force for Growth and Opportunity (GO Group) held a public meeting Tuesday, April 14) to update the community on GO Group efforts, to allow for local industry to provide updates with regard to their respective projects, to release the findings of the recently completed Calcasieu Parish Temporary Housing Study, and to review IMCAL's Long Range Transportation Plan. Additionally, the GO Group released the findings of the Calcasieu Parish Temporary Housing Study.

David Conner, Vice President of Economic Development and International Commerce with the Southwest Louisiana Economic Development Alliance also supports the study. "The data inputs used in the study, in addition to our close communication with industry, have allowed for the production of what we feel is an accurate depiction of the housing issues our area is likely to face," he said. "The findings will help our community better understand and prepare for the magnitude of the growth we are beginning to experience."

The next get together will be at The Blue Martini inside the Golden Nugget. It features an outdoor patio on the water along with Happy hour food and beverage specials. We will send an email when the date is set.

We look forward to seeing you there!

Fishing trip drawing tickets: Sales are going well. Members were asked to pick up tickets to sell if they had not yet done so.

Tina Mosca-Coffman gave an update on our annual \$500 Marie Key scholarship. The application is on the website. Please encourage all young Republican graduating seniors to apply. Deadline for applications is April 13, 2015.

Speakers:

Guest Speaker - State Treasurer John Kennedy

Mr. Kennedy began by reminding us that first impressions are sometimes wrong. He encourages us all to get involved in government politics. "We must respect life. It is a precious gift from God." He thanked us for supporting education. "We have a problem with our education system. Not in higher education, but in elementary and secondary education. This is where we fall behind. Change needs to be made at the local level. There is too much government involvement. We don't need the government to tell us how to educate our children." He substitutes several times a year in the public schools to be familiar with the experience and issues.

"Small business needs more recognition. These are the people who are really invested in our state. Free Market Capitalization has done more to bring people out of poverty than ANYTHING the government has ever done." He believes that the State has enough money to do everything they need to do. It needs to be spent more wisely. Mr. Kennedy opened the floor to questions and closed.
